SCHOOL LUNCH PROVISION

School Lunch: Week beginning 01/02/10—WEEK 1

*School dinner costs £2.20. **Dinners should be ordered
and paid for on a Monday.**

**** Please make cheques payable to NEELB.**

****Change to menu: Wednesday only one option—roast dinner.**

Please ensure that your child will eat what is on the menu for the day—you should have the menu for school lunch, if you do not contact the office.

If a pupil forgets his/her packed lunch or money we will supply that pupil with a school lunch that should be paid for the next day. Continual non-payment of money owed will leave us with no alternative but to refuse a school lunch to that particular pupil (parents will be notified before this would happen).

SCHOOL CARPARKS

Unfortunately some people are parking
in the school carparks without the re-
quired permission. I remind all parents
that only those people issued with a
school carpark pass are allowed in these
areas.

Lay-By Parking

Please try to park as 'neatly' as you can
in the lay-bys in order that as many cars
can be accommodated as possible.

I hope to get lines painted to indicate
individual parking bays in the very near
future.

General Parking

It should be noted that parents should
only park in the designated parking ar-
eas— any other parking leads to sight
lines being lessened thus increasing
possible danger to pupils.

**Bambou Restaurant sponsors
new kit for Hockey Team.**

<< Opposite Mr Chan, Bambou Restau-
rant Templepatrick, presents the new
hockey kit to team captain Naomi Mar-
tin.
